

X Church of England Primary School MFL  
Curriculum Overview

**Our Ultimate End Goal:**

What will our linguists be able to do when they leave us?

By the end of their time at X Primary School our Year 6 linguists will have developed an appreciation and respect for other cultures. They will be equipped with the necessary skills to communicate and express their ideas, at a basic level, in another language and to understand and respond to its speakers, both in speech and writing. They will have learnt basic French vocabulary through a wide variety of topics, using films, stories, games and songs to enhance and consolidate their learning. They will have planned and participated in experiences that will have built their confidence in speaking French to an audience and increased their enjoyment of this language.
